

One2one Fitness

Referral Scheme T&C's

- This offer is open to all One2one Fitness members who refer a friend(s) and that friend(s) subsequently joins on any new 6 month, 12 month or 4 month junior membership (6 week and 4 week short term memberships excluded) (Non junior members cannot refer junior members)
- One membership sign up will act as one referral rather than the amount of people therefore a joint membership (2 people) will still act as one single referral.
- Before the referral(s) joins One2one Fitness on any 6 month, 12 month or 4 month junior membership the referrer will have to fill out the online form available on the One2one Fitness website. This MUST be done before the referred person comes to the gym for their initial visit. If the form is not filled out prior to the referral coming to the gym the referral will be VOID.
- Once the form has been submitted and the referral subsequently joins on a 6 month, 12 month or 4 month junior membership, the referrer will then have *£4 deducted from their monthly fee at the next available payment opportunity. The referrer must be paying monthly via direct debit to participate in this scheme.
- If the referred friend(s) subsequently leaves One2one Fitness within fourteen days of joining, the referrer will either have the deduction removed or if already deducted, will owe that amount in a refund to One2one Fitness Studio Ltd.
- The referral is able to start partaking in the referral scheme once they have been debited their first direct debit payment.
- The referrers *£4 deduction per person referred will stay in place for as-long as their referral maintains a 6 month, 12 month or 4 month junior membership at One2one Fitness. If a referred person chooses to stop their membership, the deduction will be removed at the next available payment opportunity.
- Your referral cannot have had an active membership at One2one Fitness within the past 6 months. This includes our 4 and 6 week short term memberships.
- You cannot refer the same person more than once within a 12 month time frame.

* £4 per referral will only be active until 12/10/21. The referral reward will then be lowered to £2. All £4 referrals made before 12/10/21 will stay in place at that fixed price.

Scheme active: 12/4/2021 - no backdated referrals will be processed.
